

“But in everything, by prayer and supplication...let your requests be made known to God.”

(Submitted by Ruthanna Prisolovsky)

Last winter my family began to pray about how we could share the gospel with people in our community. Our prayers were answered when we were introduced to the *Child Evangelism Fellowship® 5-Day Club®* program. Our team was able to minister to over one hundred children in five locations this summer, but one of the most thrilling ways we saw God work happened with an adult that lived near one of our meeting places.

One evening just before Club started, a member of our team was led to go and share the gospel with several young moms that were sitting on an upstairs apartment porch across from our club gathering. These women

were playing wild music and were being loud and rambunctious. As Tim started to engage these ladies in conversation and share the gospel, the message was flatly and mockingly rejected. One lady in particular had a lot of ugly words to say against Christianity and our CEF® group. She got so upset she told him her daughter could not come back to 5-Day Club®.

When he returned to our gathering, he privately shared the discouraging report with my dad. Dad suggested they stop right then and pray for this lady. They bowed their heads and asked God to melt her heart of stone and that she would turn to Him. While they were praying, I looked all the way across the pool, playground, and courtyard. I could see this woman start a descending march down her stairs. “Oh, no!” I thought as I watched her make her way towards us. Just as the men finished praying Tim looked up, saw her almost to him, and was met with, “I just wanted to apologize. I could see you praying. I just knew you were praying for me.” She wanted to give him a hug, and he was able to continue sharing with her.

Luke 11:28 “Blessed rather are those who hear the Word of God and obey it.”

A new believer
from a 5-Day Club®

Although she did not come to Christ that night, her heart was softening. She even allowed her daughter to come back to 5-Day Club®! We were amazed at how God had worked, and Tim pointed out it was the fastest answer to prayer he had ever seen!

A few minutes later Tim, his wife Carol, and I were passing the mother's apartment to go get a little girl who was a regular attendant at our club. She leaned over her balcony and started yelling excitedly, "Have you tried to look for kids in apartment 404?"

We want to thank
Gladys Wright
for the donation she made in memory of her husband who passed away one year ago.

There are kids in there that might want to come!" We smiled and said, "Thanks, we'll ask!" When we were going back to the club, she started yelling out more apartment numbers where children lived. As we turned away from her house, we quietly laughed and shook our heads in amazement. In just a few minutes, God had turned our biggest enemy into one of our biggest fans.

A Grandmother's Testimony

(Submitted by Margaret Stelly)

One of our CEF® friends sent us this precious story about how her granddaughter has been impacted by her testimony. She wrote: "Each time Maggie spoke with me on the phone and I would tell her I was preparing for Good News Club® or leaving for Good News Club®, she would group up her stuffed animals and tell them a Bible story. She has been doing that since she was six.

Christmas 2009, I made a small flannel board with Christmas story Bible character figures for her. She called me this morning to say, 'Granny, I have the story of Jesus' birth, now I need the Resurrection Story for Good News Club®, don't you think?'

I am praying God gives her a passion for the children's ministry, and I am grateful to the CEF® director who taught me how to back Bible figures with flannel!"

A HUGE thank you goes out to Choon Hwang! On his own time, Choon put together a promotional DVD with testimonies of children and teachers from our local CEF® Chapter. This is a great tool that is now being used to show pastors and churches what God is doing through the Good News Clubs® in public schools right here in our area! To show our appreciation, we are taking up a love offering for Choon.

To send in a donation, mail to:

Dear Brothers and Sisters in Christ,

We have several schools in Leander that have started charging a small fee for this school year. We have workers for all these clubs, but we need some funds for the school fees. If you feel like this is a place that God is calling you to give to we would greatly appreciate the help. If you cannot give at this time, pray that God would provide the way He intends. The following schools are in need of special prayer and support:

Westside Elementary School \$210
C.C. Mason Elementary School \$260.
