

Hello loved and fellow saints!

I'm going to get to the point. Jesse and I need your help in spreading the word to YOUR churches about CEF's summer ministry. We have 8 counties in our area, 140,000 children ages 5-12 yrs. old, and numerous churches to contact. It has been our experience that churches are more open to the ministry available to them through CEF when someone in their own church spreads the word.

I wanted to let you know about CEF's summer ministry and wondered if your churches Youth Group would be interested in getting involved.

Our summer Good News Clubs (or called 5-Day Clubs) are usually taught by teens (ages going into 7th grade through finishing 12th). This special training for young people is called Christian Youth In Action (CYIA).

CEF provides free training and low cost teaching materials for youth groups to get equipped to teach these summer GNC's which take place 5 days in a row (like a VBS).

This is an amazing missions opportunity for your churches young people and God uses it to:

****Bring them closer to Jesus, work through them to bring children to Christ and confidently share the gospel with anyone they meet, and unify them as a youth group that serves God together.***

Not to mention it is a ton of fun and they will look back on it as a time they witnessed the Holy Spirit do mighty works through them **in their own community!**

It is our desire to get the Christian Youth In Action (CYIA) applications for the summer GNC's into the hands of youth pastors and teens. **BUT WE NEED YOUR HELP!**

If you could please tell us a guesstimate or exact # of the teens in your church, we will send the applications to YOU so you can personally get it into the hands of these youth. Because you already teach in a GNC and are known within your church, **YOU are the best one to spread the news about this great, missions opportunity!**

The dates for the trainings are in the CEF newsletter or you can get them off of our website: capitalcountrykids.com

Will you help us to reach children this summer by getting the word out to your churches about this? Adults and college age are welcome to attend CYIA and teach summer GNC's as well!

Please get back with me asap and contact me with ANY questions (512) 227-1900 or (512) 357-4166. Thank you so much for your help. We can't wait to hear back from you!!!!

For the children,
Jesse and Erin Watson
